Enamullah Khan

Chief Executive Officer

Faysal Asset Management Limited (FAML) was launched in 2003 within Ithmaar Bank (Bahrain) Group of Companies. FAML brings together the collective financial expertise and investment experience of Islamic Investment Company of Gulf (IICG), with its extensive global fund management experience, and Faysal Bank

Limited (FBL), one of Pakistan's premier commercial banks. The joint venture partners have international expertise of managing funds in diversified markets around the globe. FAML has a strong management team, a research based investment structure, a fortified risk management approach and an impressive track record of outperforming consistently.

IICG, a wholly owned subsidiary of Dar Al-Maal Al-Islami Trust (Bahamas) (DMI), was incorporated as a limited liability company in 1989. DMI flagship companies include its associate Ithmaar Bank B.S.C. which has fully owned subsidiaries Shamil Bank of Bahrain B.S.C., Faisal Private Bank (Switzerland), Faysal Bank Limited (Pakistan) and Ithmaar Development Company (IDC).

FBL started operations in Pakistan in 1987, first as a branch set-up of Faysal Islamic Bank of Bahrain and then in 1995 as a locally incorporated Pakistani bank under the present name of Faysal Bank Limited. On January 1, 2002, Al Faysal Investment Bank Limited, another group entity in Pakistan, merged into Faysal Bank Limited which resulted in a larger, stronger and much more versatile institution.
